**"The Business, Legal, and Tax Aspects of Buying  
and Selling S Corporations: What You and Your  
Clients Need to Know"**

Buying or selling a business may be the most important financial transaction a person ever makes. This speech will cover the most important business, legal, and tax aspects of buying or selling an S Corporation, the most common business entity in the United States. Besides providing insight into the best way to plan a transaction for tax purposes, it will also address due diligence and critical business and legal issues that may dramatically impact the transaction.
