## **Chamberlain Hrdlicka Makes San Antonio Business Journals 2024 Largest Law Firms List**

### **San Antonio Business Journal includes Chamberlain Hrdlicka in 2024 Largest Law Firms List**

January 29, 2024

Recently, the San Antonio Business Journal (SABJ) named Chamberlain Hrdlicka among the 2024 Largest Law Firms in San Antonio. With new attorneys joining the firm in 2023, Chamberlain Hrdlicka moved up two places on the list.

Despite a highly competitive legal job market in Texas and nationwide, the firm has been able to attract outstanding attorneys, thanks to its entrepreneurial culture that provides a unique platform allowing ambitious attorneys to quickly develop their practices with the guidance of experienced mentors.

Since opening the San Antonio office in 2011, Chamberlain Hrdlicka has expanded its footprint from two tax attorneys to a team of 15 attorneys still focused on tax and practicing commercial litigation, probate litigation, white collar crimes, business torts, ERISA and employee benefits, tax-exempt organizations, tax planning and tax controversy.

To accommodate its continued growth in San Antonio, create a collaborative and functional space for the way law firms work today, and elevate all employees experience, Chamberlain Hrdlicka has executed a 13,555-square-foot office lease expansion at Weston Centre and is undergoing strategic renovation. The expanded space will include thoughtfully appointed offices and conference rooms, equipped with state-of-the-art technology to facilitate seamless collaboration and client interactions. An enhanced administrative area will optimize workflow efficiency, empowering Chamberlain Hrdlicka professionals to deliver top-tier legal services. The centerpiece is a visually striking moss wall in the office lobby, meticulously conceived to bring nature indoors and promote a serene, welcoming atmosphere.
