**Chamberlain Hrdlicka a Houston Business Journal  
2023 Best Places to Work Honoree**

**For the Third Straight Year, Chamberlain Hrdlicka an HBJ Best Place to Work**  
September 7, 2023

The Houston Business Journal (HBJ) recently selected Chamberlain Hrdlicka for the 2023 Best Places to Work in the large companies category for the third year in a row. Chamberlain Hrdlicka has a culture of excellence and collaboration that provides attorneys and staff the opportunity to grow and thrive professionally.

Chamberlain Hrdlicka prioritizes collaboration, health, well-being, and quality of life for the firm's employees through numerous initiatives, including: the Chamberlain Care Trust Fund for employees experiencing financial setbacks; a wellness program that incentivizes employees to take care of their health; encouraging pro bono work; a comprehensive benefits package; and an active social calendar including regular community service projects and plentiful celebrations such as monthly birthday events, annual work milestones, holiday and family events.

HBJ's Best Places to Work List is based on employee surveys by Quantum Workplace. All employees at nominated companies were given the opportunity to take a confidential survey online, evaluating their companies in areas such as goals and leadership, communication and support, advancement opportunity and skill development, recognition and compensation, tolerance and flexibility, and embracing innovation and ideas.
