Chamberlain Hrdlicka's Houston Headquarters Renovation Wins AGC-TBB Outstanding Construction Award

Associated General Contractors of Texas Building Branch Awards Outstanding Construction Award to Chamberlain Hrdlicka's Houston Office Renovation
July 30, 2024

The Associated General Contractors of Texas Building Branch recently awarded O'Donnell Snider the Outstanding Construction Award for General Contractor in the Interior Finish 3 Category for executing Chamberlain Hrdlicka's \$6 million renovation of the firm's Houston headquarters. This and other awards will be presented on September 5, 2024 during the AGC-TBB Outstanding Construction Awards Dinner and Ceremony held in Georgetown, TX.

Chamberlain Hrdlicka brought together a diverse design committee, including shareholders, associates and staff to ensure the new space reflects the firm's culture of excellence and collaboration. The growth-driven, extensive renovation has transformed Chamberlain Hrdlicka's Houston office into a modern, inviting, collaborative environment designed to foster teamwork, training, and mentoring, and elevate the overall employee experience. Architecture, design and planning firm Gensler collaborated with O'Donnell Snider to bring the vision to life, with support from Cushman & Wakefield.
