## **Chamberlain Hrdlicka Represents Few Ready Mix in its Sale to CRH Construction Company**

June 3, 2025

Chamberlain Hrdlicka, led by Habeeb “Hobbs” Gnaim, Practice Chair of the firm’s Tax Planning and Business Transactions Section, and Associate John D. Fields, represented Few Ready Mix—a longstanding, family-owned concrete supplier in East Texas—in its sale to CRH Construction Company, a global leader in building materials based in Dublin, Ireland. This transaction was also supported by Associates Marianne Standley, Pearson Wolk, and Jeffrey Della Rocco.

The sale marks the transition of a multigenerational family business to new ownership under CRH’s Texas-based subsidiary, Texas Materials Group, which will continue operating under the trusted Few Ready Mix name. Chamberlain Hrdlicka’s team advised on various aspects of the transaction, helping to preserve the company’s foundation while supporting the continued involvement of family members in day-to-day operations.

This transaction underscores our firm’s commitment to guiding businesses through complex sales with a focus on legacy, continuity, and strategic growth.
