Past IRS Commissioners Analyze Agency Changes Under Trump, Tax Notes Talk and Forbes

Tax Notes Talk and Forbes

June 5, 2025

On a podcast that published originally in Tax Notes Talk on June 5, 2025, and the transcript of the podcast that published in Forbes on June 10, 2025, Former IRS Commissioner and Shareholder Chuck Rettig provides valuable insight into the recent agency changes seen in the IRS under the new Trump administration and how they will affect the future of the agency.

Rettig stresses the importance of people continuing to work in the agency, alongside technology. You need to find a balance, a balance between an oversupply of people initially with technology, and then you see how the technology sets in, Rettig says. You leverage the human resources you have.
