Chamberlain Hrdlicka Joins The 2015 Midsize Hot List

National Law Journal

June 2015

On May 25, 2015, The National Law Journal published the 2015 Midsize Hot List, a list of the top 20 law firms with between 51 and 150 attorneys nominated by its readers. Included in this list was Chamberlain Hrdlicka, featured for its record year in 2014. The firm boasted revenue at an all-time high, profits per partner up by 15 percent, surprise year-end bonuses for everyone and three big-name clients. Its across the board our best year, said Wayne Risoli. Every section in the firm had an uptick in work and started getting more and more Fortune 500 work. Once a tax boutique, Chamberlain is now a well-rounded firm doing commercial litigation, corporate law, construction, real estate, intellectual property and wealth accumulation.
