A Letter To Our Clients:

First and foremost, we hope that all of you are safe and sound. We want you to know that our thoughts are with you during these trying times.

Secondly, we want you all to know that our Houston office is up and running. Most of our attorneys and staff have been working from the office since Monday, and others are working remotely. We hope that with everything else you are having to contend with, you can rest assured your legal matters are under control.

Please contact us by phone or e-mail with any concerns.
