Lawrence Bass is a shareholder in the firm's trusts and estates and employee benefit practice. Mr. Bass possesses more than 40 years of experience in counseling clients on a wide variety of matters including income, gift, estate and generation skipping transfer tax matters, material property rights, and business legal and tax matters.

Mr. Bass focuses his practice primarily in the areas of estate planning and business planning for high net worth individuals including owners of closely-held businesses. He also counsels both individual and corporate fiduciaries regarding a variety of estate and trust administration matters.

He has assisted entrepreneurs in the real estate, natural resources, entertainment, construction, machinery and equipment, restaurant, food service, communication, banking, automobile dealership, agricultural, medical, legal and accounting industries with their estate planning and business succession planning needs for more than 40 years.

Significant Matters

- Obtained favorable private letter rulings from the National office of the IRS regarding special use valuation of agricultural real estate under Section 2032A of the Internal Revenue Code, deferral of estate taxes under Section 6166 of the Internal Revenue Code and the estate tax marital deduction under Section 2056 of the Internal Revenue Code.
- Assisted the owners of numerous closely-held businesses in a variety of industries successfully transfer or reorganize the business to implement exit strategies.
- Represented the owners of closely-held companies in the construction, manufacturing, real estate, automobile dealerships, agricultural, restaurant and retail industries (with the assistance of the firm's corporate and tax practice groups) in connection with the sale of the company or substantially all of its assets.
- Assisted the owners of a closely-held telecommunications company structure the sale of certain FCC licenses to a public company.
