Alec E. Turung is an associate in the Intellectual Property practice group. Mr. Turung has experience in various areas of intellectual property, including U.S. and PCT patent prosecution, U.S. patent reexamination, U.S. patent litigation, patent licensing, trademark prosecution, litigation, and licensing, and copyright opinion work. His diverse background enables him to provide clients with comprehensive and strategic IP solutions tailored to their specific needs.

Mr. Turung has a Mechanical Engineering degree from Baylor University and a law degree from the Texas A&M University School of Law.
