Aal Gray currently focuses his practice on insurance defense, construction litigation, and premises liability.

He grew up in Fort Worth, Texas, before attending Austin College in Sherman, Texas. At Austin College, he double majored in economics and business while playing football. Football has given me the opportunity to build lifelong friendships with teammates he now considers his brothers.

During law school, Aal was a member of the Mock Trial team, the Alternative Dispute Resolution team, and the Houston Journal of International Law. His experience with the mock trial and alternative dispute resolution team sparked his passion for advocacy.

Outside of work, Aal enjoys playing basketball, traveling, skiing, hiking, and dancing.
