

Zoning for Dollars

How to approach the growth of small-box stores in your community

Michael D. Homier

Michigan Township Focus Magazine

February 2020

Reprinted with permission from the Michigan Townships Association (MTA)

Small box discount retailers—aka “dollar stores”—are significantly impacting local economies, particularly small businesses and local grocers. Click the cover story below from the February 2020 issue of the Michigan Township Focus magazine to read more on the issues impacting local communities, what defines a small box store and deciding what's best for your township. Author Mike Homier will also be speaking on this topic as the 2020 MTA Conference.
