

Applying for a Michigan Small Business Grant

Foster Swift Legal Update E-blast

July 15, 2020

To support Michigan small businesses that have been hit hard by the pandemic, the Michigan Small Business Restart Program is now accepting applications to provide grants to eligible small businesses that need working capital for payroll and other expenses. The application period will run through August 5, 2020.

All applicants must apply through michiganbusiness.org regardless of past applications submitted. If you are thinking of applying but have questions about meeting the required criteria or if this program is right for you, contact your Foster Swift attorney.
