On March 11, 2021, the federal government enacted a new COVID-19 relief package, the American Rescue Plan Act (ARPA), which earmarked approximately \$130.2 billion for distribution to local governments. Michigan is set to receive nearly \$4.4 billion for its local governments. Below is a summary of the how these funds may be used and distributed under the ARPA.

Please note: Currently, we are not aware of any federal guidance from the Secretary of Treasury on the legislation, but will update this article once more information is provided.

1. What can the money be used for?

- Costs incurred by the municipality by December 31, 2024:
 - **Economic Assistance to Businesses and Households Affected by COVID**
 - To respond to COVID-19 or its negative economic impacts including assistance to households, small businesses, and non-profits or to aid impacted industries such as tourism, travel, and hospitality.
 - **Economic Assistance to Municipal Employees/Contractors**
 - To respond to workers performing essential work during COVID-19 by providing premium pay to eligible workers (workers needed to maintain continuity of operations of essential critical infrastructure sectors) of the municipality that are performing such essential work or providing grants to eligible employers that have eligible workers who perform essential work.
 - "Premium pay" means up to \$13/hour in addition to wages or remuneration that the eligible worker otherwise receives up to \$25,000 per worker.
 - **Provision of Government Services**
