Technology Law

September 30, 2013

Confused about your legal rights in a software transaction? Foster Swift Collins & Smith PC attorneys are offering a two-part webinar revealing the legal issues needing addressed. The course, titled "Top 5 Legal Issues to Address in Every Software Transaction," will be held on Oct. 16 from noon to 1:30 p.m. and Oct. 23 from noon to 1:00 p.m. The webinar is geared toward software developers as well as individuals who are responsible for purchasing software.

The panel of information technology attorneys will identify and explain ways to reduce your risks and strengthen your rights while using or developing software. Webinar attendees will learn how to effectively plan for software integration or development projects by

- Protecting confidential information
- Including essential contract terms
- Understanding taxation of software
- Securing intellectual property rights
- Developing enforcement and litigation strategies

If you have not participated in a webinar session before, you will need to download free software at www.gotowebinar.com. PC-based attendees must have Windows® 8, 7, Vista, XP or 2003 Server. Mac®-based attendees must have Mac OS® X 10.6 or newer. Mobile attendees must have an iPhone®, iPad®, Android™ phone or tablet.
