

## Schtokal on Impact of COVID-19 on Trade Missions

FOR IMMEDIATE RELEASE

*Automation Alley*

September 14, 2020

Foster Swift International Law attorney Jean Schtokal, recently sat down with Automation Alley's Noel Nevshehir, Director of International Business Services and Global Strategic Partnerships to discuss the impact of COVID-19 on trade missions and conferences.

The video discusses the benefits and potential drawbacks of using video conferencing in international trade missions rather than face to face in-country meetings. Watch the full YouTube video [here](#).
