

Schtokal featured in International Trade Newsletter

FOR IMMEDIATE RELEASE

Michigan Business Network

October 2, 2020

International Law attorney Jean Schtokal's interview with Automation Alley's Noel Nevshehir was featured in October's International Trade newsletter from MEDC and included on the Michigan Business Network.

The interview discusses the impact of COVID-19 on trade missions and conferences as well as the best practices, benefits and potential drawbacks of using video conferencing in international trade missions rather than face to face in-country meetings.

See the full newsletter [here](#).
