

Hogan Covers Bankruptcy in Wake of COVID

FOR IMMEDIATE RELEASE

October 6, 2020

GRAND RAPIDS, Mich. – Foster Swift's Finance Practice Group continues to host a complimentary half hour webinar every second Wednesday of each month through 2020.

The next Second Wednesday will be on October 14 from 9:00-9:30 am. Moderated by Practice Group Leader Patricia Scott, bankruptcy attorney Scott Hogan will cover the topic "Your Customer Filed Bankruptcy - What's Next?" While bankruptcy is currently at an all-time low, many predict that it is simply the 'Calm before the Storm' and businesses should know their rights and what they can do to protect themselves as a likely surge of filings may happen in the coming months.

While not a substitute for legal advice, these sessions give individuals, business owners and managers an opportunity to gain insight in this changing legal environment and offers the chance to ask general questions following the presentations.

For those unable to virtually attend, video recordings of the previous Second Wednesday sessions have been added to the finance practice page for viewing at fosterswift.com/services-finance-real-estate-bankruptcy-law.html.
