Jordan Asbury is a paralegal with Foster Swift's Workers' Compensation practice group, located in the firm's Lansing office.

Jordan previously worked as a legal assistant in the Revenue and Tax Division for the State of Michigan for over two years before joining Foster Swift in 2024. She also has experience of working as a Paralegal Specialist with the U.S. Army.

Jordan finds that her duties of generating and formatting legal proceedings, briefs, letters, subpoenas, proofs of service, and corresponding legal documentation in her former position serve her well in her ability to prioritize and prepare summaries of medical records for use in Workers' Compensation matters.

Jordan graduated from Michigan State University's Broad College of Business with a B.A in Human Resource Management.
