

KAREN SEBASKI AUTHORS GUEST ARTICLE FOR INTELLECTUAL PROPERTY MAGAZINE

10.01.2020

As the race to develop safe and effective vaccines to combat the novel Covid-19 virus continues, a trend toward major collaborations between businesses has formed. In a guest article for Intellectual Property Magazine, Karen discusses how businesses can reduce the risk of patent disputes when teaming up to accelerate Covid-19 vaccine developments. Read the article [here](#).
