08.07.2024

New York—August 7, 2024—Five Holwell Shuster & Goldberg LLP partners have been recognized on Benchmark Litigation’s 2024 40 & Under List, which honors attorneys under 40 whom clients and peers have identified as top talent in litigation.

The HSG partners recognized this year are:

- Gregory Dubinsky
- Benjamin Heidlage
- Daniel Horowitz
- Jayme Jonat
- Priyanka Timblo

This recognition comes on the heels of the same five partners being recognized on the 2024 Lawdragon X – The Next Generation list just last month, which honors the future of the legal industry for their “unparalleled talent and vision.”

Among other significant matters, their collective recent work includes: winning a \$101.2 million jury verdict against retail giant Walmart; winning two rulings on behalf of former Governor Andrew Cuomo in a separation-of-powers challenge to the New York Ethics Commission; securing multiple summary judgment and appellate wins for Chubb in opioid coverage litigation, including a Ninth Circuit dismissal in litigation against McKesson; serving as trial counsel for Visa in multi-district antitrust litigation related to payment card fees and network rules; notching settlements in two groundbreaking pro bono cases for pregnant and breastfeeding Frontier Airlines pilots and flight attendants marking a major step forward for gender equity in the airline industry; and leading a high-profile trial in bankruptcy court in Texas representing certain bondholders of the supply chain services company Incora.
