

HOLWELL SHUSTER & GOLDBERG FEATURED IN LAW360 PULSE

05.01.2024

In a recent article titled, “Holwell Shuster Focuses on Big Cases, Homegrown Talent,” Law360 highlighted some of the guiding principles of our firm, including our focus on homegrown talent and promoting from within, delivering exceptional work to our clients, and fostering a truly collegial culture.

In the piece, partner and head of our pro bono practice Vincent Levy emphasized how the core values of our firm remain true 12 years after our founding, saying, “We’ve grown organically by hiring amazing associates, promoting from within...we are a fairly young partnership, and we have young partners running massive cases.”

Read the full article, which also includes insights from partners Mike Shuster and Blair Kaminsky, [here](#).
