Chambers and Partners has released its *2025 Chambers USA* guide to top US lawyers and firms, recognizing both IPB's Tax and Benefits and Compensation practice areas, as well as attorneys Les Schneider, Kevin O'Brien, Jodi Epstein, Spencer Walters and Steve Witmer.

"I

ts ability to handle complex and sophisticated matters is very strong." is one way our Benefits & Compensation practice was described. A client mentioned that we are "

incredibly responsive and the partners are thoughtful in discussions. We really do see them as an extension of our team."

Chambers reports that the head of our Benefits & Compensation practice, Kevin O'Brien, is "

a very strong, distinguished lawyer." Jodi Epstein, another member of the Benefits and Compensation team "

does a really good job at explaining things in a way that may be complex to non-legal folk." Clients call her, "

fantastic! She provides an amazing service, has a great consulting approach and is overall a wonderful person." Spencer Walters, another member of our Benefits and Compensation practice, is recognized in this year's guide for the first time.

Chambers USA also recognized IPB's Tax practice, highlighting both the team and specifically Les Schneider, co-head of the IPB Tax practice, who has been recognized among the premier US tax attorneys since the inception of the *Chambers* guides.
