

Helna Klumpp Speaks at Tax ACT Annual Meeting

May 22, 2017

Clearwater Beach, FL

Helna Klumpp spoke at the Association for Computers & Taxation's annual meeting in Clearwater Beach, Florida, on May 22. Ms. Klumpp, who partnered with Bloomberg BNA tax software experts Jane Warfle and Ryan Sheehan for the event, focused her presentation on the background and various proposals for U.S. corporate tax reform, while the panel offered practical advice for companies to model out the potential effects of future tax law changes.
