Benjamin L. Grosz was featured speaker at a program for defined contribution retirement plan advisors and consultants, where he discussed hot topics and best practices for plan fiduciaries, with a focus on Custom Target Date Fund (TDF) investments. Ben reviewed recent litigation and settlements regarding 401(k) and 403(b) plan fees and investment fund offerings, discussed developments regarding the DOL Fiduciary Rule, and offered insight into fiduciary best practices, concluding with a lively Q&A discussion. The program was presented by Amundi Pioneer Investments, AQR Capital Management, and Columbia Threadneedle Investments.
