Benefits Bullets

April 16, 2024

Ivins, Phillips & Barker is happy to launch our new employee benefits and executive compensation bulletin, "Benefits Bullets."

- This bulletin is intended to provide concise, actionable practice pointers to employee benefits and executive compensation professionals including plan administrators, in-house counsel, and fellow EBEC attorneys.
- True to its name, and in recognition of our clients' busy schedules, these bulletins will be presented in the form of bullet points.
- We expect that the Benefits Bullets will be published periodically, span many areas of law, and typically be short (sometimes perhaps *very* short!)
- If there are any topics you are particularly interested in learning more about, please let us know we would be happy to tailor our content to your current needs.
