Health Care Reform – How Will It Change Your Business Strategy?
Wednesday, February 27th, 2013, 9:00am - 11:30am

Seminar Description

- **The seminar will focus on the major aspects of Health Care Reform that will directly affect your business. We have assembled a panel consisting of legal, industry and insurance experts to address the major questions facing you today. The seminar will be interactive and we encourage your involvement. Some of the topics to be discussed include:**
 - "Pay or Play", also known as "Shared Responsibility" Guidelines;
 - State Exchanges – What are they, what is Michigan doing and how could they affect your plan?
 - Health Care Affordability – What is considered unaffordable and how to determine?
 - Minimum Value Coverage – How do you meet the "Minimum Value" standards for coverage?
 - Full-Time vs. Full-Time Equivalent calculations and "Standard Measurement Periods" to determine who is eligible for benefits.

Seminar Panelists

- **Chris McMican – Principal at Miller Canfield**
 - As a member of Miller Canfield's Employee Benefits group and widely recognized as one of the top attorneys in his field, Christopher has an extensive expertise in virtually all aspects of employee benefits law.

- **Don Whitford – Vice President at Priority Health Plan**
 - Don is responsible for the long-term strategic development of all market segments for the East Region. With more than 30 years of experience, as well as a deep knowledge of the market.

- **Mark Capuano – Vice President at Huntington Insurance Services**
 - Mark is responsible for all aspects of Compliance and Health Care Reform at Huntington Insurance. His team works directly with clients to clearly chart a path as it relates to the Health Care Law.
