Summary:

As the US government has stepped up attempts to strengthen its export regulations, companies are challenged to stay on top of the ever changing landscape.

In this LIVE Webcast, some of the trade industry's great minds will share their best practices for managing the risk. They will also help us make sense of the most important issues, including:

- Defense Trade Controls: Compliance with International Traffic in Arms Regulations (ITAR)
- Proposed transition rules of Export Control Reform Initiative
- Iran Threat Reduction and Syria Human Rights Act of 2012
- Developments of Sanctions policy to other countries particularly in Iran, Syria, Sudan, Burma and Cuba
- "Military Catch-All" Rule for China
- Antiboycott Regulations
- Developing an Effective Export Compliance
- Up-to-the-minute regulatory updates

This two-hour Live webcast will cover the topics above along with a Q&A session in which the attendees will be invited to
