

India

Miller Canfield has an established history of representing Indian businesses expanding into the U.S., as well as representing U.S. and international clients' business interests in India.

Our knowledge of applicable regulatory schemes (e.g., customs, trade, export controls, antitrust and anti-bribery laws) and our experience with legal issues such as intellectual property, product warranties and enforceability are invaluable resources to our clients throughout the globe.

As a founding member of the Poland-India Business Council, we also have longstanding relationships with law firms in India which enable us to provide clients seamless representation as they expand and develop.

Our legal services include:

- Banking and Finance
- Brownfield Redevelopment
- Capital Markets
- Divestment, Liquidation, Dissolution and Bankruptcy
- Economic Incentives
- Employment and Labor
- Environmental and Energy
