Michael P. McGee

Senior Counsel

Mike is a senior member of Miller Canfield's Public Finance group, with primary responsibility for general obligation and revenue bond issues amounting to more than \$3.5 billion. With degrees in economics and public policy in addition to law, he brings a unique perspective to his broad legal experience in structuring transactions. He has served as team leader and responsible principal on a wide range of public finance projects including infrastructure financing and refinancing, restructuring actions, compliance review, intergovernmental agreements and public entity creation, operation, and financing.

He served as the firm's CEO from 2013 to 2021. Under his leadership, the firm renewed and strengthened its commitment to law firm diversity, equity and inclusion, becoming the only Michigan-based firm, and one of only 24 nationwide, to have earned Mansfield Plus Certification for three years in a row. Certification is awarded to law firms that meet high standards for significant representation of women, people of color and LGBTQ+ attorneys in firm leadership roles. Additionally, during McGee's tenure as CEO, the firm expanded capacity in the rapidly growing autonomous and connected vehicles sector and the aerospace and defense industry, and grew its footprint domestically and internationally, forging alliances through North and South America and adding offices in Washington, D.C., California, Ohio and Qatar.
