Magdalena Pilarska is a licensed attorney (adwokat) in the firm's Gdynia office. Her practice covers the area of personal data protection law, particularly within employment relationships and marketing activities. She has earned CIPP/E, the globally recognized certificate of expertise for information privacy issued by the International Association of Privacy Professionals, the most renowned community of experts on this subject.

Magdalena also advises clients, especially from the automotive sector, on issues within employment law and general civil law, including consumer protection and product liability. She assists companies with mergers and acquisition processes, particularly those involving tailored solutions for co-owners' future decision-making, and also negotiates and handles office space leases and other business litigation.
