

Webinar: E-Discovery Update - ESI and the Government

February 29, 2012

Sponsored by ICLE

1:00 - 3:00

The government is a frequent player in the e-discovery field as prosecutor, civil plaintiff, defendant, investigator and FOIA respondent. With the increase in government regulation, that trend is sure to continue. Should requests to and from the government be handled differently than other e-discovery requests? What process should your clients follow?
