

Ann Arbor Morning Update: Bullying + Respect in the Workplace - Taking Your Anti-Harassment Policies and Training to the Next Level

September 12, 2012

Ann Arbor/Ypsilanti Chamber of Commerce

Allegations of workplace bullying, which can include verbal abuse, work interference and various types of threatening behavior, has gained national attention. Since workplace bullying can negatively impact a company's culture and the morale of its employees, employers should be equipped with the knowledge and tools necessary to promote respect in the workplace and ensure the safety of all employees. Please join us to learn how to establish and maintain an anti-bullying environment within your organization.
