

## Doing Business In India Today: Update on Investment + Legal Climate

---

October 30, 2012

MSU Management Education Center (8:00 AM - 11:30 PM)

Have you thought about doing business in or expanding your business to India but are concerned about being too late or about the current regulatory environment there?

Please join Miller Canfield's India Team along with Kel Kearns of Ford (India) and Vikas Vasal of KPMG (India) to learn about and share information on India's current investment atmosphere, business practices, tax and regulatory regime. Presentation will highlight Gujarat (automotive capital of India).

***Registration for this program is limited to companies who currently do business or are considering business in India.***
