

Webcast: U.S. Export Controls + Defense Trade Controls Program: What You Need to Know in 2013

April 10, 2013

Webcast (Noon - 2:00 PM EDT)

Sponsored by The Knowledge Congress

As the U.S. Government has stepped up attempts to strengthen its export regulations, companies are challenged to stay on top of the ever changing landscape. In this live webcast, some of the trade industry's great minds will share their best practices for managing the risk.
