

Exploring Challenges, Opportunities and Strategies in the Era of Emergency Managers and Limited Resources

September 19, 2013

Shanty Creek Resort (Bellaire, MI)

Sponsored by MPELRA (Discover the New World of Human Resources + Labor Relations)

With all the national attention and speculation on Michigan, this session will explore the powers, process and options under the emergency manager statute; how a Chapter 9 municipal bankruptcy may play out, compared to a private sector filing; recent developments in Michigan involving pensions, other employee benefits, and property taxes which create challenges and opportunities for local governments.
