

Webinar: Hot Topics for Employers in the Oil and Gas Industry

A Global Perspective

February 27, 2014

Webinar

Sponsored by Employment Law Alliance

Miller Canfield is the designated law firm for Michigan and Poland for the Employment Law Alliance, a network of the top labor + employment lawyers in the world.

Among the many challenges that companies in the oil and gas industry face is operating in multiple jurisdictions all around the globe, often using contractors and employees brought in from other countries where employment laws and company policies may differ. This webinar brings together legal experts from the major oil and gas centers around the world – Canada, Kenya, Norway, Scotland, the U.S. and UAE – who will address three of the most common and important issues facing employers in this growing industry.
