Miller Canfield, 225 W. Washington (5th Floor), Chicago, IL

### **Event Sponsor: Chicagoland Chamber of Commerce**

Mexico is Illinois' second largest trading partner – behind only Canada – with a trade and investment relationship that continues to deepen. Mexico is one of the most competitive countries for productive investment; its open economy guarantees access to international markets through a network of free trade agreements and the country boasts a strategic geographic location and competitive costs to service global markets.

Learn from an expert panel about the benefits and challenges of doing business in Mexico as well as an update on trade relations between Illinois and Mexico.
