---

December 8, 2016

7:15 - 8:30 a.m.

The Townsend Hotel, 100 Townsend Street, Birmingham, MI 48009

Area investment advisors, registered representatives, and trust officers are invited to join us for the final presentation of 2016 by Miller Canfield attorneys **Brad Arbuckle** and **Jeffrey Aronoff**.

Over the last several years, consumers have begun making conscious decisions to *eat local*, *shop local*, and *buy local*, prompting businesses and policymakers to experiment with new ways to support local economies. Now, the next frontier – *invest local* – looms as an exciting but complicated prospect for businesses and investors, particularly in Michigan. Please join us as we address burning questions related to local investment and crowdfunding, including:

- What is a 'MIM'?
- What is the "MILE Act"? What does it do for Michigan businesses and investors? What doesn't it do?
- How does Michigan's crowdfunding regime fit in with federal crowdfunding?
- What does all of this mean for YOUR business?

Advance registration is required. No cost to attend.
