

Safety and Health Programs: MIOSHA Compliance

September 28, 2017

9:00 a.m. - 2:30 p.m.

Michigan Chamber of Commerce, 600 S. Walnut Street, Lansing MI 48933

Event Sponsor: Michigan Chamber

A good employee health and safety program is the best way for a company to manage its MIOSHA compliance and workplace health and safety issues and reduce the risk of serious negative consequences.

Join Miller Canfield attorney, **Douglas W. Crim**, for this full-day seminar to learn the key elements of health and safety programs. This seminar is interactive with participants having an opportunity to discuss development and enhancement of safety and health programs, as well as specific challenges faced in participants' programs.
