

Marijuana and the Work Place - Hammering Out the Details

August 27, 2019

8:00 - 9:30 AM (CDT)

Miller Canfield, 225 W. Washington, Suite 2600, Chicago IL 60606

*Please join us for a continental breakfast and presentation on **MARIJUANA AND THE WORKPLACE – Hammering Out the Details.***

Illinois voters approved the legalization of marijuana for recreational use beginning January 2020. The new law will have significant impact on the state's construction industry. We will discuss topics that include drug testing, zero-tolerance, possession, ADA accommodations and how employers can proactively implement enforceable drug and alcohol policies that will stand up to challenges by employees who violate them.
