

National Development Finance Summit: Exploring Innovative Solutions for Disaster Recovery Funding

November 13 - 15, 2024

Baltimore, MD

Event Sponsor: Council of Development Finance Agencies

Miller Canfield attorneys **James Snyder** and **Austin Root** will be speakers at the Council of Development Finance Agencies National Development Finance Summit - **Exploring Innovative Solutions for Disaster Recovery Funding**. The session will delve into the diverse funding sources available for disaster recovery, focusing on non-profit organizations, SSBCI, and GGRF initiatives. Learn how to leverage these funding streams to support resilient community rebuilding and enhance recovery efforts. Our expert panel will share successful case studies and practical solutions, empowering you with the knowledge to navigate funding opportunities effectively. We invite you to join the conversation and explore innovative solutions to disaster recovery alongside key stakeholders.
