

Adopting China Speed: Best Practices to Drive Competitiveness in North America

Providing Legal Clarity: Insights from Miller Canfield

June 24, 2025

8:00 - 11:35 AM (EDT)

MEMA Conference Center, 25925 Telegraph Road, Suite 350, Southfield MI 48033

Event Sponsor: MEMA (The Vehicle Suppliers Association)

Explore how North American automotive suppliers can adopt the agility, efficiency, and innovation of "China Speed" to enhance competitiveness in a rapidly evolving industry. Experts will share best practices for streamlining decision-making, accelerating product development, and optimizing supply chain operations. Attendees will gain actionable insights on improving responsiveness, reducing costs, and fostering a culture of speed and adaptability to stay ahead in the global automotive market.

Join Miller Canfield attorneys **Jeffrey Richardson** and **Yanping Wang** as they break down complex legal issues with clarity and expertise.
