

Export Webinar on Joint Ventures on November 28, Presented by Miller Canfield and MEDC

November 16, 2012

The law firm of Miller Canfield and Michigan Economic Development Corporation (MEDC) continue their practical webinar series on exporting. The next webinar on November 28 from 8:30-10:00 AM ET will be on the topic of joint ventures. Whether you're export-ready, already exporting or wanting to expand, the lawyers from Miller Canfield will be your legal resource.

Webinar topics have included agent and distributor agreements, export controls/ITAR, intellectual property and the Foreign Corrupt Practices Act (FCPA). Previous webinars are available under the News tab on www.millercanfield.com/ExportControls.

To register for the November 28 Joint Ventures webinar, go to www.millercanfield.com/Events. There is no cost to attend.
