Super Lawyers magazine names lawyers in each state who received the highest point totals, as chosen by their peers and through independent research. Rising Stars names the state's top up-and-coming lawyers. It combines peer nominations and evaluations with third-party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Selections are made on an annual, state-by-state basis.

Illinois Super Lawyers and *Rising Stars* lists are published annually in February in a special advertising section in *Chicago* magazine and appear in the *Illinois Super Lawyers* magazine.
