

## Miller Canfield CEO's Interview with Forbes

---

June 30, 2016

Miller Canfield CEO Mike McGee was recently featured in a Q&A article by *Forbes* contributor David Parnell. In the interview, they discussed the firm's long history, as well as the future of the firm, and the practice of law itself, as well as law firm innovation and what it means in the delivery of client service, and one of the most significant disruptive technologies in the last decade—the autonomous car.
