

Miller Canfield CEO Discusses Legal Toolbox for Cities

August 10, 2016

Michigan cities and townships face big challenges, the result of cuts in state revenue sharing and tax limitations resulting from the Headlee Amendment.

After decades of cutting budgets to the bone, communities have few options left. Miller Canfield CEO Michael McGee talked with Cynthia Canty, host of Michigan Radio's Stateside, about solutions, including a legal "toolbox" to help communities do more with less money by banding together.
