Barbara Moore has been selected to participate in **Leadership Kalamazoo**, an intensive nine-month community leadership development resource that brings together a diverse group of current and emerging leaders.

Moore is an associate in Miller Canfield's Employment and Labor Group. Her practice is focused on matters related to workplace policies, discrimination claims, and wage and hour compliance.

"Barbara is an impressive up-and-coming leader," said Miller Canfield CEO Megan Norris. "We are tremendously proud of not only her work in the firm, but also her deep commitment to serving the community."

Prior to joining Miller Canfield, Moore worked at the National Housing Law Project and was a legal intern for the Michigan House of Representatives. She serves as a member of the Board of Directors for Dégagé Ministries, a nonprofit serving people experiencing homelessness.
