

Miller Canfield Attorneys Recognized as Top Thought Leaders

January 5, 2023

Miller Canfield is pleased to announce that the firm has been awarded a 2022 Thought Leadership Award by the *National Law Review* for coverage of ongoing changes to the U.S. Bankruptcy Code.

On April 1, 2022, the Bankruptcy Code was adjusted for inflation and Miller Canfield attorneys Ronald A. Spinner and Marc N. Swanson detailed the changes at length in their article, *Bankruptcy Dollar Amounts Set to Rise April 1, 2022, by a Significant Amount*.

"The authors' timely and detailed analysis of the bankruptcy code changes illustrates their depth of knowledge in the insolvency and restructuring areas of law," according to *National Law Review* editors.

The *National Law Review* Thought Leadership Awards recognize 75 exceptional authors and legal organizations for their reporting of complex legislative and litigation news. Fewer than 1 percent of *National Law Review* contributing authors are recognized each year.
