

Miller Canfield International Business Briefing: International Arbitration - May 22 in Troy

April 24, 2007

The law firm of Miller Canfield presents “International Arbitration” at an upcoming International Business Briefing on Tuesday, May 22, from 7:30-9:00 a.m. at the Automation Alley Headquarters (2675 Bellingham, Troy, Mich.). There is no cost to attend.

Miller Canfield attorney Larry J. Saylor will share valuable information and answer questions on the advantages and disadvantages of international arbitration – the practice of allowing parties from different legal and cultural backgrounds to resolve their disputes, generally without the formalities of their underlying legal systems. He will discuss how and why or why not to agree to it; the legal framework; arbitrator selection; and judicial oversight of awards.

The event is co-sponsored by Miller Canfield and Automation Alley. Please make reservations with Sandy Bera at 248.267.3345 or bera@millercanfield.com.
